

CHESTER AGRICULTURAL AND MECHANICAL SOCIETY

P O BOX 646, CHESTER, CONNECTICUT 06412

July, 2026

Dear Friends,

August 28th – 30th will mark the 149th opening of the Chester Fair.

The Chester Fair is designated by the Association of Connecticut Fairs as a major fair, although we feel it exemplifies the fairs of yesteryear. The fair setting is quaint, like the Town of Chester itself, and offers the opportunity to compete in who makes the best pie contests, captures the best shot in the photo competition, or has the most ideal cow.

As we are a not-for-profit organization made up of volunteers from Chester and surrounding towns, we need to look to the community for additional support for volunteers and funds. That is where you and your company come into play. We are looking for sponsors for **our sponsor board**, and/or for our **new pulling track fence**.

Becoming a Sponsor BOARD Donor:

1. Send a business card or print your name as you would like it to appear on the sponsorship board.
2. Address a check for \$100.00 to the Chester Fair.
3. *Mail the two above items to The Chester Fair, P.O. Box 646, Chester, CT 06412, attn. Nancy McGee by August 7th, 2026

Becoming a Sponsor BANNER Donor: We are searching for donors to have your banners (max size 4'x8') that can be displayed on the fence of our new pulling track to advertise your business. There are two ways to do it:

1.)Do you already have a banner we can display? Contact us. The fee to “rent a spot” this year on our fence is \$150.00. We can pick up your banner and return it after our event. (*See address above for mailing your check)

2.)Note: *If you'd like to have a banner made, at your earliest convenience, we recommend contacting Sign+GraphX of Deep River who makes our Chester Fair banners and signs.*

Thank you in advance for your generous donation.

Regards, Nancy McGee, chesterfair1877@gmail.com
